1. General remarks

The prices and conditions for Interconnection contained in the present Annex of the VoIP Interconnect offer are applicable for the period as from the date indicated in the first page. Modifications can be made to these prices and/or conditions in the course of the year, in such case a new version of the present Annex will be published on the Proximus Wholesale website.

All prices mentioned in this Annex are VAT excluded.

Prices for other services not covered by the Offer can be obtained from Proximus on request.

In the relevant case, "Peak" period is the period between 08:00 to 19:00 from Monday through Friday, excluding Belgian legal holidays. "Off Peak" period is all other periods of time.

When applicable, each Successful Call will give rise to two charges: a fixed set-up charge and a duration charge taking into account the Chargeable Call Duration measured on a per second basis. Unsuccessful Calls are not charged.

2. Terminating Services

2.1 Calls to Proximus geographic numbers and split charging numbers

Rates as from 01/07/2021 until 31/12/2021
