## 1. Introduction

This Addendum to the Proximus Reference Interconnect Offer 2006 concerns:

- Customer-sited Interconnect Links

This Addendum comes into effect as from 01/01/09. The section of the BRIO, which is impacted by this Addendum, is indicated in the subsequent paragraph.

## 2. Adaptation of Section 10.2.1 and Section 16.7.1 of the BRIO2006

Section 10.2.1 and section 16.7.1 of the Reference Interconnect Offer are only valid for Customer-sited Interconnect links with Interconnect Access Point located in different Proximus Access Area.

Other Customer-sited Interconnect Links (connected to the same local distribution frame, located in the same telephone zone but connected to different distribution frame, connected to different telephone zone but in the same Proximus Access Area) are now covered under the Proximus Reference Offer for Terminating Segment of Leased Lines (BROTSoLL).
