1. Introduction

This Addendum to the BRIO concerns a BIPT decision of 20/11/2018 concerning the fixed call termination market.

In case of an appeal against the decision of the BIPT dated 20/11/2018 and in case the Court of Appeal would suspend, modify or annul BIPT's decision(s), or in case of withdrawal of BIPT decision(s), or if the rates were to evolve on the basis of other regulatory actions, Proximus reserves all its rights to apply again the FTRs charged before 1/1/2019 and reserves its rights to retroactively claim the difference between the FTRs applied as from 1/1/2019 as foreseen by the BIPT decision of 20/11/2018 and the FTRs applicable before 1/1/2019 or any other rates that would be imposed following the regulatory action.

The addendum has been submitted to the BIPT on 18/12/2018.

The sections of the BRIO, which are impacted by this Addendum are indicated in the subsequent paragraphs.
