- Transfer icon:** pressing the key next to this icon allows you to program or change the transfer function.
- Headset connected.**
- Appointment programmed.**
- Silent mode activated.**
- Telephone locked.**
- Display keys:** pressing a display key activates the function shown associated with it on the screen.

## Navigation

- OK key:** used to validate your choices and options while programming or configuring.
- Left-right navigator:** used to move from one page to another.
- Up-down navigator:** used to scroll through the content of a page.
- Back/Exit key:** to return to previous menu (short press) or return to first screen (long press); during a conversation, provides access to welcome screens (Menu, Info, ...) and to return to the conversation icon screens.

## Welcome screens

**Menu page:** contains all functions and applications accessible via the keys associated with the words on the screen.

**Perso page:** contains call line keys (allowing supervision of calls) and programmable call keys.

**Info page:** contains information on the telephone and the status of its functions: name, telephone number, number of messages, activation of transfer function, appointment reminder, etc.

## Call display

**Incoming call.**

**Call in progress or outgoing call.**

**Call on hold\*.**

If you get two calls at the same time, you can switch from one call to the other by pressing the display key associated with each call.

**Left-right navigator:** used to check calls.

## Function keys and programmable keys

- Guide key:** used to obtain information on functions of the "menu" page and to program key of the "perso" page.
- Messaging key to access various mail services:** if the key flashes, a new voice message or a new text message has been received.

## Guarantee and clauses

This document describes the services available on telephones in the Forum™ iPhone/Phone 700 range connected to a Belgacom Forum™ 700 or Forum™ 750. For more information, please consult the User Guide for your Forum™ iPhone 730 (IP set) or Phone 730 (digital set). Contact your installer.  
Warning: never place your telephone in contact with water. To clean your telephone, you may however use a damp soft cloth. Never use solvents (trichloroethylene, acetone, etc.) which may damage the plastic parts of your telephone. Never spray it with cleaning products.  
The ear piece and microphone area of the handset may attract metallic objects that may be dangerous for the ear.

The wording is not contractual and may be subject to change. Some functions of your telephone are controlled by a software key and the configuration of the unit.

EC: We, Alcatel Business Systems, hereby declare that we assume the Forum™ iPhone 730/Phone 730 product to be compliant with the essential requirements of Directive 1999/5/CE of the European Parliament and Council. A copy of the original of this declaration of compliance can be obtained from your installer.

Collection of these products at the end of their product life must be done selectively.  
**Environmental information**

1- The equipment that you bought has required the extraction and use of natural resources for its production. It may contain hazardous substances for the health and the environment.  
2- In order to avoid the dissemination of those substances in our environment and to diminish the pressure on the natural resources, we encourage you to use the appropriate take-back systems. Those systems will reuse or recycle most of the materials of your end life equipment in a sound way.  
3- The crossed-bin symbol invites you to use those systems. 4- If you need more

information on the collection, reuse and recycling systems, please contact your local or regional waste administration. 5- You can also contact us for more information on the environmental performances of our products.

Belgacom, in keeping with its policy of constant product improvement for the customer, reserves the right to modify product specifications without prior notice.
