Terms and Conditions

- The current contract shall come into effect on the date it is signed by both parties.
- This contract shall be concluded for a twelve-month term. In accordance with the applicable conditions in force on the expiry date, the contract shall be tacitly renewed for successive periods of the same duration as the original contract, unless the Customer sends notification of termination by registered mail 30 days prior to the expiry date.
- If the contract is terminated prematurely, the total amount due until the expiry date shall be payable by the Customer to Proximus
- Prices are exclusive of VAT.
- The billing takes place once a year.

Cost price

- The prices for the ordered domain name extension can be found on <http://www.proximus.be/dns>

Acceptance by the customer

The Customer hereby confirms that he is familiar with and accepts the terms and conditions for this contract as well as the general terms and conditions (available on request or on the website <http://www.proximus.be/dns>).

The provisions of this contract shall take precedence over the general terms and conditions in the event of any discrepancy between them.

I hereby confirm that I am familiar with the general terms and conditions that are applicable to this contract and undertake to use the services provided by Proximus solely for strictly lawful purposes.

Date and name of the signatory

Read and approved

Remarks

You can manage your domain name online yourself via myProximus.
