Previous options

Messaging Pack

The Messaging Pack option makes the price of SMS and MMS messages cheaper.

Messaging Pack	Fixed monthly amount*
Messaging Pack 30 30 SMS or 15 MMS messages €0.10/SMS and €0.20/MMS	€3
Messaging Pack 90 90 SMS or 45 MMS messages €0.10/SMS and €0.20/MMS	€9
Messaging Pack 150 150 SMS or 75 MMS messages €0.10/SMS and €0.20/MMS	€15
Messaging Pack 300 300 SMS or 150 MMS messages €0.10/SMS and €0.20/MMS	€30

- The units are **valid for SMS and MMS messages sent in Belgium**, except for SMS and MMS messages sent to special or foreign numbers or SMS and MMS messages sent via the Proximus website.
- The units are **valid for one month** and are **transferable one time to subsequent months**. The maximum number of units that can be carried over in one month is the number of units in your monthly Messaging Pack, e.g. 90 units for Messaging Pack 90.
- When the Messaging Pack is used up, you send your SMS and MMS messages at the normal rate for your price plan.

If you had an **SMS Pack**, it has been automatically converted into a **Messaging Pack**. Nothing has changed: neither the price nor the remaining credit... Except that from now on, you can send SMS AND MMS messages for less money.

* Prices including VAT.

Vodafone Passport

With the free Vodafone Passport option you can make calls in more than 30 partnering countries for the same rate as you pay at home.

Partner countries	Making a call	Receiving a call
Austria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Lichtenstein, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, San Marino, Slovenia, Spain, Sweden, Switzerland and United Kingdom	€0.49/call + €0,15/min. (average national price per minute)	€0.49/10 min.
Albania, Australia, Japan, New Zealand	€1.99/call + €0,15/min. (average national price per minute)	€1.99/10 min.

All prices include VAT, only valid for the Vodafone Passport countries, regardless of the operator and rates do not apply to special numbers (voting, 0900, etc.). Calls made from abroad are billed per second from the 61st second. The average national price is the average national price per minute of your price plan, excluding promotions and subscriptions. If you live in or go to a border region, we advise you to manually select the operator. This will guarantee that you stay on the Proximus network and keep benefiting from your national tariffs. However, if you go abroad, then please do not forget to choose your foreign operator manually again in order to be able to make communications.

Anytime

The Anytime option, that's a quota of minutes to call any network* in Belgium at any time. This option is compatible with ProxiFun. You can choose between 30, 60, 120, 180, 240 or 300 minutes.

AnyTime	Price
Anytime 30	€4.17
Anytime 60	€8.35

4G Option	
Monthly subscription	€10
Included	1 GB (3G/4G)
If you use more	€0.10/extra MB

Prices include VAT. To surf via 4G, you need 4G network coverage and a device that is compatible with the Proximus 4G network.

Daily Travel Surf Comfort

Are you going abroad for a short period of time? Activate the **Daily Travel Surf** option prior to your departure and only pay on the days you actually surf abroad.

Daily Travel Surf Comfort
€2/day of use in Europe+¹
OR
€7.49/day of use in the rest of the world
=
20MB/day of use

¹ **Europe+**: the above countries as well as in Albania, Australia, China (except Hong Kong), Japan, New-Zealand, the United States and Switzerland.

All prices include VAT. The options to surf cheaper are only valid for customers with a subscription or reload card to call on their mobile phone, smartphone or BlackBerry or to surf on their laptop, tablet or iPad. Daily Travel Surf is billed per 100 KB per day of usage and per zone from 200 KB of usage. If you use less than 200 KB, you will pay the prices outside the bundle. Not compatible with other international options or with BlackBerry. A day of usage starts and ends at midnight, Belgian time. The use of 4G networks abroad is currently not yet possible. Proximus is working on reaching the necessary agreements with foreign operators already launched and the technical side of things to make this possible.
