

BUSINESS TRUNKING

Contract summary

This contract summary provides the main elements of this service offer as required by the EU law (¹). It helps to make comparison between service offers. Complete information about the service is provided in other documents.

Service

Fix voice telephony

Business Trunking is a fixed VoIP telephony service that provides the Customer with fixed numbers, voice channels and access to public telephone services. With the Service, the Customer can make calls to the Proximus public telephone network and to other fixed and mobile networks connected to it.

Pre-requisites:

- The Customer must have entered into a Proximus data connection service contract such as Explore, SDWAN, which is compatible with the Service.
- The data connection CPE and the PBX/SBC, which are compatible with the Service and although necessary for the use of the Service, are not included in the Service.

Price

- Monthly subscription for a 12 months contract and up to 20 channels (in €, per month, excl. VAT)
 - Voice channels : € 13.3338 per channel
 - Numbers (Belgium or non-Belgium, see the list of covered countries):
 - Per individual number : € 0.95
 - Per ten : € 7.44
